ADOPT RESOLUTION ON REBEL BANNERS

The appended resolution has been adopted by the Women's Relief corps of Rock Island:
"Whereas, it has come to our notice that some ill advised person or persons known to us introduced into the Memorial day parade a rebel or confederate flag, a flag born in treason and disloyalty; and, whereas, this same flag was introduced into the parade on our national holiday, July 4.
"And, whereas, in these times of national stress all acts of disloyalty, spoken or inferred, or any symbol representing a tribute to our former conditions of national division should not and will not be tolerated by patriotic organizations of the city.
"Be it resolved by the Women's Relief corps No. 66, auxiliary to the Grand Army of the Republic, that we are not in sympathy with the spirit which promoted this disloyal act, which is an insult to the flag for which our husbands and forefathers fought long and hard, and we hereby give notice that we will not participate in any parade in which this flag is allowed to be carried.
"And, be it further resolved, that our motto be now, as heretofore, one country and one flag."

LEAGUE MEMBERS TO ENJOY PICNIC

Night Operator—All in
Vinol Made Him Feel Better, Look Better, Sleep Better.
Springfield, Mass.—"I am a night operator—was all run-down, couldn't sleep, had no ambition—I had tried blood and nerve tonics without help—and thought I would try Vinol and I must say it has built me up so I feel better, look better and sleep better."—Charles T. Harder.

The reason Vinol was so successful in Mr. Harder's case, is because it contains beef and cod liver peptones, iron and manganese peptones and glycerophosphates, the very elements needed to build up a weakened, run-down system, make rich, red blood and create strength. Red Cross drug store, Charles J. Straub, Kensington's drug store, and druggists everywhere.—(Adv.)
